Support Your Neighborhood

Please join or renew your membership – just \$25

With your support, we work to maintain and improve the quality of life in our area, by protecting neighborhood zoning, managing two private security patrols, organizing the annual July 4th Parade, supporting our neighborhood schools and parks, publishing the Good Neighbor Directory, and sharing vital information through emails and newsletters.

Your Support Keeps Our Neighborhood Safe

We have two private police patrols serving our area:
5 STAR PATROL – south of Forest Lane, east of Hillcrest.
CHURCHILL WAY PATROL -north of Forest Lane, west of Hillcrest.

The 5 Star Patrol Service
has reduced crime by
over 60%

Annual patrol dues are \$225 per home. The level of neighborhood support directly determines how many patrol hours we can provide each week. Every additional dollar goes toward extra hours. Many residents contribute more than \$225, to increase coverage.

Pay by check with the enclosed envelope,
or pay by credit card at HillcrestForest.org.

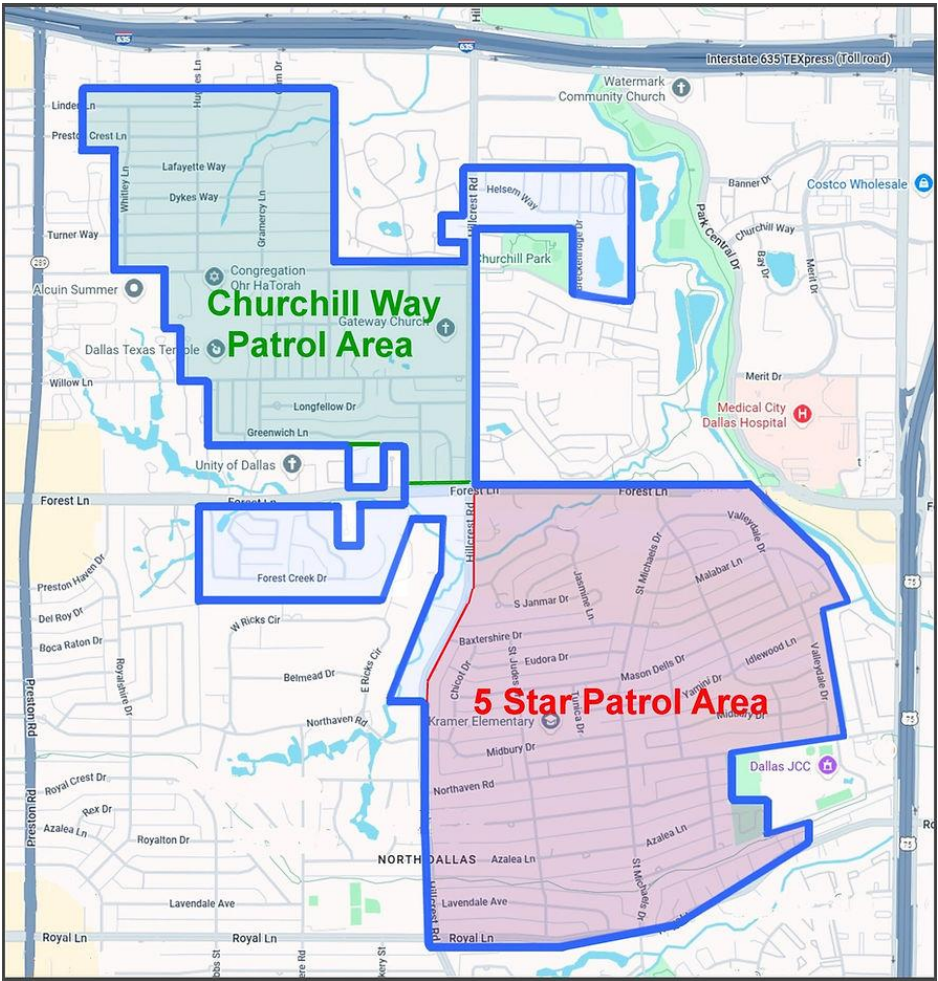

Our Two Private Police Patrols

Our patrols are resident-funded, and we need everyone’s support. Officers are uniformed off-duty Dallas Police driving marked Dallas police cars. Some 5 Star Patrol coverage is provided by SRG private security.

Dear Hillcrest Forest Neighbors,

I am honored and excited to introduce myself as incoming President of the Hillcrest Forest Neighborhood Association. My family and I have called this wonderful neighborhood home since 2018. As a dad to 7-year-old twin boys, Greyson and Crawford, and a residential real estate professional with over 23 years of experience, I care deeply about the strength, warmth, and vibrancy of our community. You will often see us out enjoying the neighborhood, and I am eager to connect with even more of you in the coming months and years.

First and foremost, I want to express my profound gratitude to Bruce Wilke. Serving as HFNA President for 18+ years is an extraordinary commitment, and Bruce’s dedicated leadership has helped shape Hillcrest Forest into the incredible place it is today. Stepping into this role means filling very large shoes, and we all owe Bruce a heartfelt thank you for his nearly two decades of selfless service.

As I take on this role, one of my top priorities is bringing our community closer together. I would love to see us host more neighborhood events throughout the year so we have frequent opportunities to gather, catch up, and build lasting friendships. To kick things off, we are currently planning a **Fall Block Party** (date to be announced) – a fun, family-friendly event designed for kids to play and neighbors of all ages to mingle.

I am eager to hear your thoughts and ideas on how we can continue making Hillcrest Forest the best neighborhood in Dallas. Please feel free to reach out anytime.

Warmly,

John Weber

President, Hillcrest Forest Neighborhood Association

RED, WHITE & BLUE 250! Hillcrest Forest Annual July 4th Parade

The Hillcrest Forest Neighborhood Association kicked off July 4th 250 with its annual parade, drawing a big, cheerful crowd for a morning full of festive neighborhood fun. In a welcome return to tradition, the local fire station proudly led the procession – complete with one good-natured firefighter who hopped right in with the kids to get his face painted amid the laughter and excitement. A special thank-you goes to Vicki McIntosh, who kept everything running smoothly as master of ceremonies and on-site coordinator. PTA mom Julie Cavellini, who lives across from Kramer Elementary, greeted families with warm smiles and handed out patriotic giveaways to the little ones. The event was beautifully captured in great photos by our president, John Weber. More photos can be viewed on our website, www.HillcrestForest.org.
