**Re: Neighborhood Meeting Notice for Fill Permit Application
F.P. 24-03 – 11618 Valleydale Drive – White Rock Creek**

The property owner at 11618 Valleydale Drive of White Rock Creek has applied for a fill permit for the current 100-year floodplain, specifically the reclamation of 0.09 acres of the current 0.55 acres floodplain on this property.

A map of the project location is on the reverse side of this letter.

A fill permit application has been submitted to the City of Dallas for review for compliance with the floodplain regulations. This application has been reviewed to ensure that the proposed fill will have no adverse impact to the floodplain upstream or downstream of the site.

As part of the fill permit process, the City of Dallas will hold a virtual neighborhood meeting to discuss this fill permit on Wednesday, June 12, 2024, from 4:00 p.m. to 5:00 p.m. Please follow the instructions below to participate:
